Each year since 1988, art collector, software entrepreneur, and MoMA trustee Peter Norton has commissioned an art edition to celebrate the Christmas season and holidays. Created by artists represented in the Nortons' own collection, and sent as gifts to personal friends and members of the art community, these art objects are designed to be interactive and playful, and to foster engagement with the world of contemporary art.

Peter Norton has generously donated the remaining supply of these art objects to MoMA, with the proceeds designated to benefit P.S.1. These highly collectible works will be available to the public in limited quantities beginning Wednesday, October 28, 9:00 a.m. ET at [MoMAstore.org/Norton](https://www.moma.org/store/norton), or through customer service at (800) 447-6662. An example of each will also be on view in MoMA Books, located on the second floor of the Museum, beginning October 28.
